SKILLS

LABORATORY TECHNIQUES

- DNA Isolation
- Polymerase Chain Reaction
- Chromatography
- Gram Staining
- Agarose Gel Electrophoresis
- Microscopy
- Spectrophotometry
- AntibioticSusceptibilityTesting
- Nanoparticle Synthesis

SOFTWARE

- MS Word
- MS PowerPoint

EDUCATION

BHARATI VIDYAPEETH UNIVERSITY

B.Sc.in Biotechnology
May 2026 | Pune, Maharashtra
Rajiv Gandhi Institute of IT and Biotechnology
CGPA: 8.11 / 10.0

SARYU ADARSH BALIKA INTER COLLEGE

Higher Secondary Education | 2023

LINKS

COURSEWORK

UNDERGRADUATE

Molecular Biology
Microbiology
Biochemistry
Environmental Biotechnology
Developmental Biology
Spectroscopy And Analytical Techniques

WORK EXPERIENCE

BIOTECHNOLOGY INTERN

Rajiv Gandhi Institute of IT & Biotechnology
June 2025 | Pune, Maharashtra

- Completed hands-on training in Biotechnology and Interdisciplinary Sciences.
- Performed DNA isolation and PCR on multiple biological samples following standard laboratory protocols.
- Gained practical exposure to HPLC and UV-Visible Spectrophotometry.
- Synthesized silver and gold nanoparticles and analyzed them using a microplate reader.
- Explored molecular docking and virtual screening approaches in bioinformatics.
- Learned applications of nanotechnology and AI-driven bioinformatics in biotechnology research.
- Gained exposure to the workflow of 16S rRNA sequencing and microbial identification techniques.

PERSONAL PROJECTS

SOIL MONITORING BIOSENSOR

- Designed a conceptual soil biosensor model capable of monitoring soil health parameters using biosensing principles to support precision agriculture.

BORDETELLA PERTUSSIS MODEL

- Developed an academic model demonstrating disease transmission and prevention.

SUSTAINABLE PACKAGING

- Explored environmentally sustainable packaging alternatives for reducing environmental impact.

ACHIEVEMENTS

GREEN MICROBIOLOGY SUMMIT 2026

- Oral Presenter
- Presented a review article on “Microalgae as a Sustainable Protein Source for Future Food Security: Integrating Wastewater Utilization for Sustainable Production.”

VOLUNTEER EXPERIENCE

Community Volunteering • @National Service Scheme
